

Weekly Bulletin Week Beginning 6th September *From the Primary School*

Parents Responses

I would like to say a really big thank you to all the parents who have responded so well to all our requests so far this term, the fact that we are getting so much support and positivity from our parents so early on bodes extremely well for the year.

Email addresses

To the many parents who have completed email contact details for us again we are pleased to announce that we will be sending out these letters electronically from today onwards. We hope this will be more efficient and of course it will reduce paper use which is better for the environment.

Parents' hearing readers

There was a very good atmosphere at the reading workshop which nine parents attended on Thursday and we were all able to appreciate different reading experiences both mums and educators have had. Thank you to the many mums that have started going into classes to help with the reading.

Volunteers for the Self Study groups

Another 12 parents have put their names forward to help us on the self study committees. I have been able to put each person into a group and they will be contacted by the group leader with details of the next meeting. Having representatives of the parents in these groups is an important part of the accreditation process.

House Captains

The school has a house system which is used as part of our positive behaviour management system but which is also a great way to encourage, comradeship across year groups, school spirit and fun competitiveness.

Each term 3 students from Year 6 will be our House Captains. The House Captain role is one that has to be taken seriously, the aim is to encourage the students to be responsible and good role models and to in return get some privileges.

Congratulations go to the House Captains for this term;

Lions	Ananya Pawa	Aurore Van Reeth
Tigers	Kim Bui	Rohan Sriram
Bears	Fern Wongpanawiroj	Adisorn Sirisingskul
Elephants	Aya Iwama	Jean Chirachoenwat

Friends of Bangkok Prep meeting

A reminder that the FOBP meeting for parents will be on Tuesday 7th September at 8am and it will be held in the Gallery in the Multipurpose Sports Complex. All parents welcome.

Dracula Rock Show DVD

An enormous thank you goes to Mr. Warakulnukroh who has again produced the DVD of our June KS2 production "The Dracula Rock Show" for us. There are 50 copies of the DVD available from Tuesday 7th September and they will be distributed on a first come first serve basis from Ms. Kwang's office.

Artificial grass

There was great excitement at school this morning as the students were able to see the green of the artificial grass laid out on the field this morning. The big question coming out of all the students' mouths was "when?" Well we are pleased to say that the field we definitely be able to be used fully next week if not this, so not long to wait now!

Life Value of the Week

The Life Values were set up last year as a simplified version of the school's Philosophy and Objectives statement. They are used as a way of encouraging students to recognise and follow good attitudes and actions. Each week we will focus on one Life Value as a way of making sure that the Life Values really become a part of our every day school life.

Responsible

Definition: Someone who understands the affect of their actions.

Responsible students who take on responsibility can really make a difference and this is one of the messages that will be going to our students in Years 2 to 6 as we look to them to volunteer to be a member of the Primary Student Council. The Student Council will meet weekly with Mr. Cliff-Reid and Mr. Buckingham and try to find ways to make the school a better place for other students and to help people less fortunate than ourselves. We shall look forward to seeing what the Student Council has plans to do later this term.

Enjoy your week.

Sarah Brannon
Head of Primary
